COMMUNITY RULES

Code of Conduct

To ensure that everyone enjoys their stay, the community has agreed a 'code of conduct' which should be followed at all times. These rules have been agreed for safety and so that everyone can enjoy themselves.

Please treat your fellow guests with respect by refraining from:

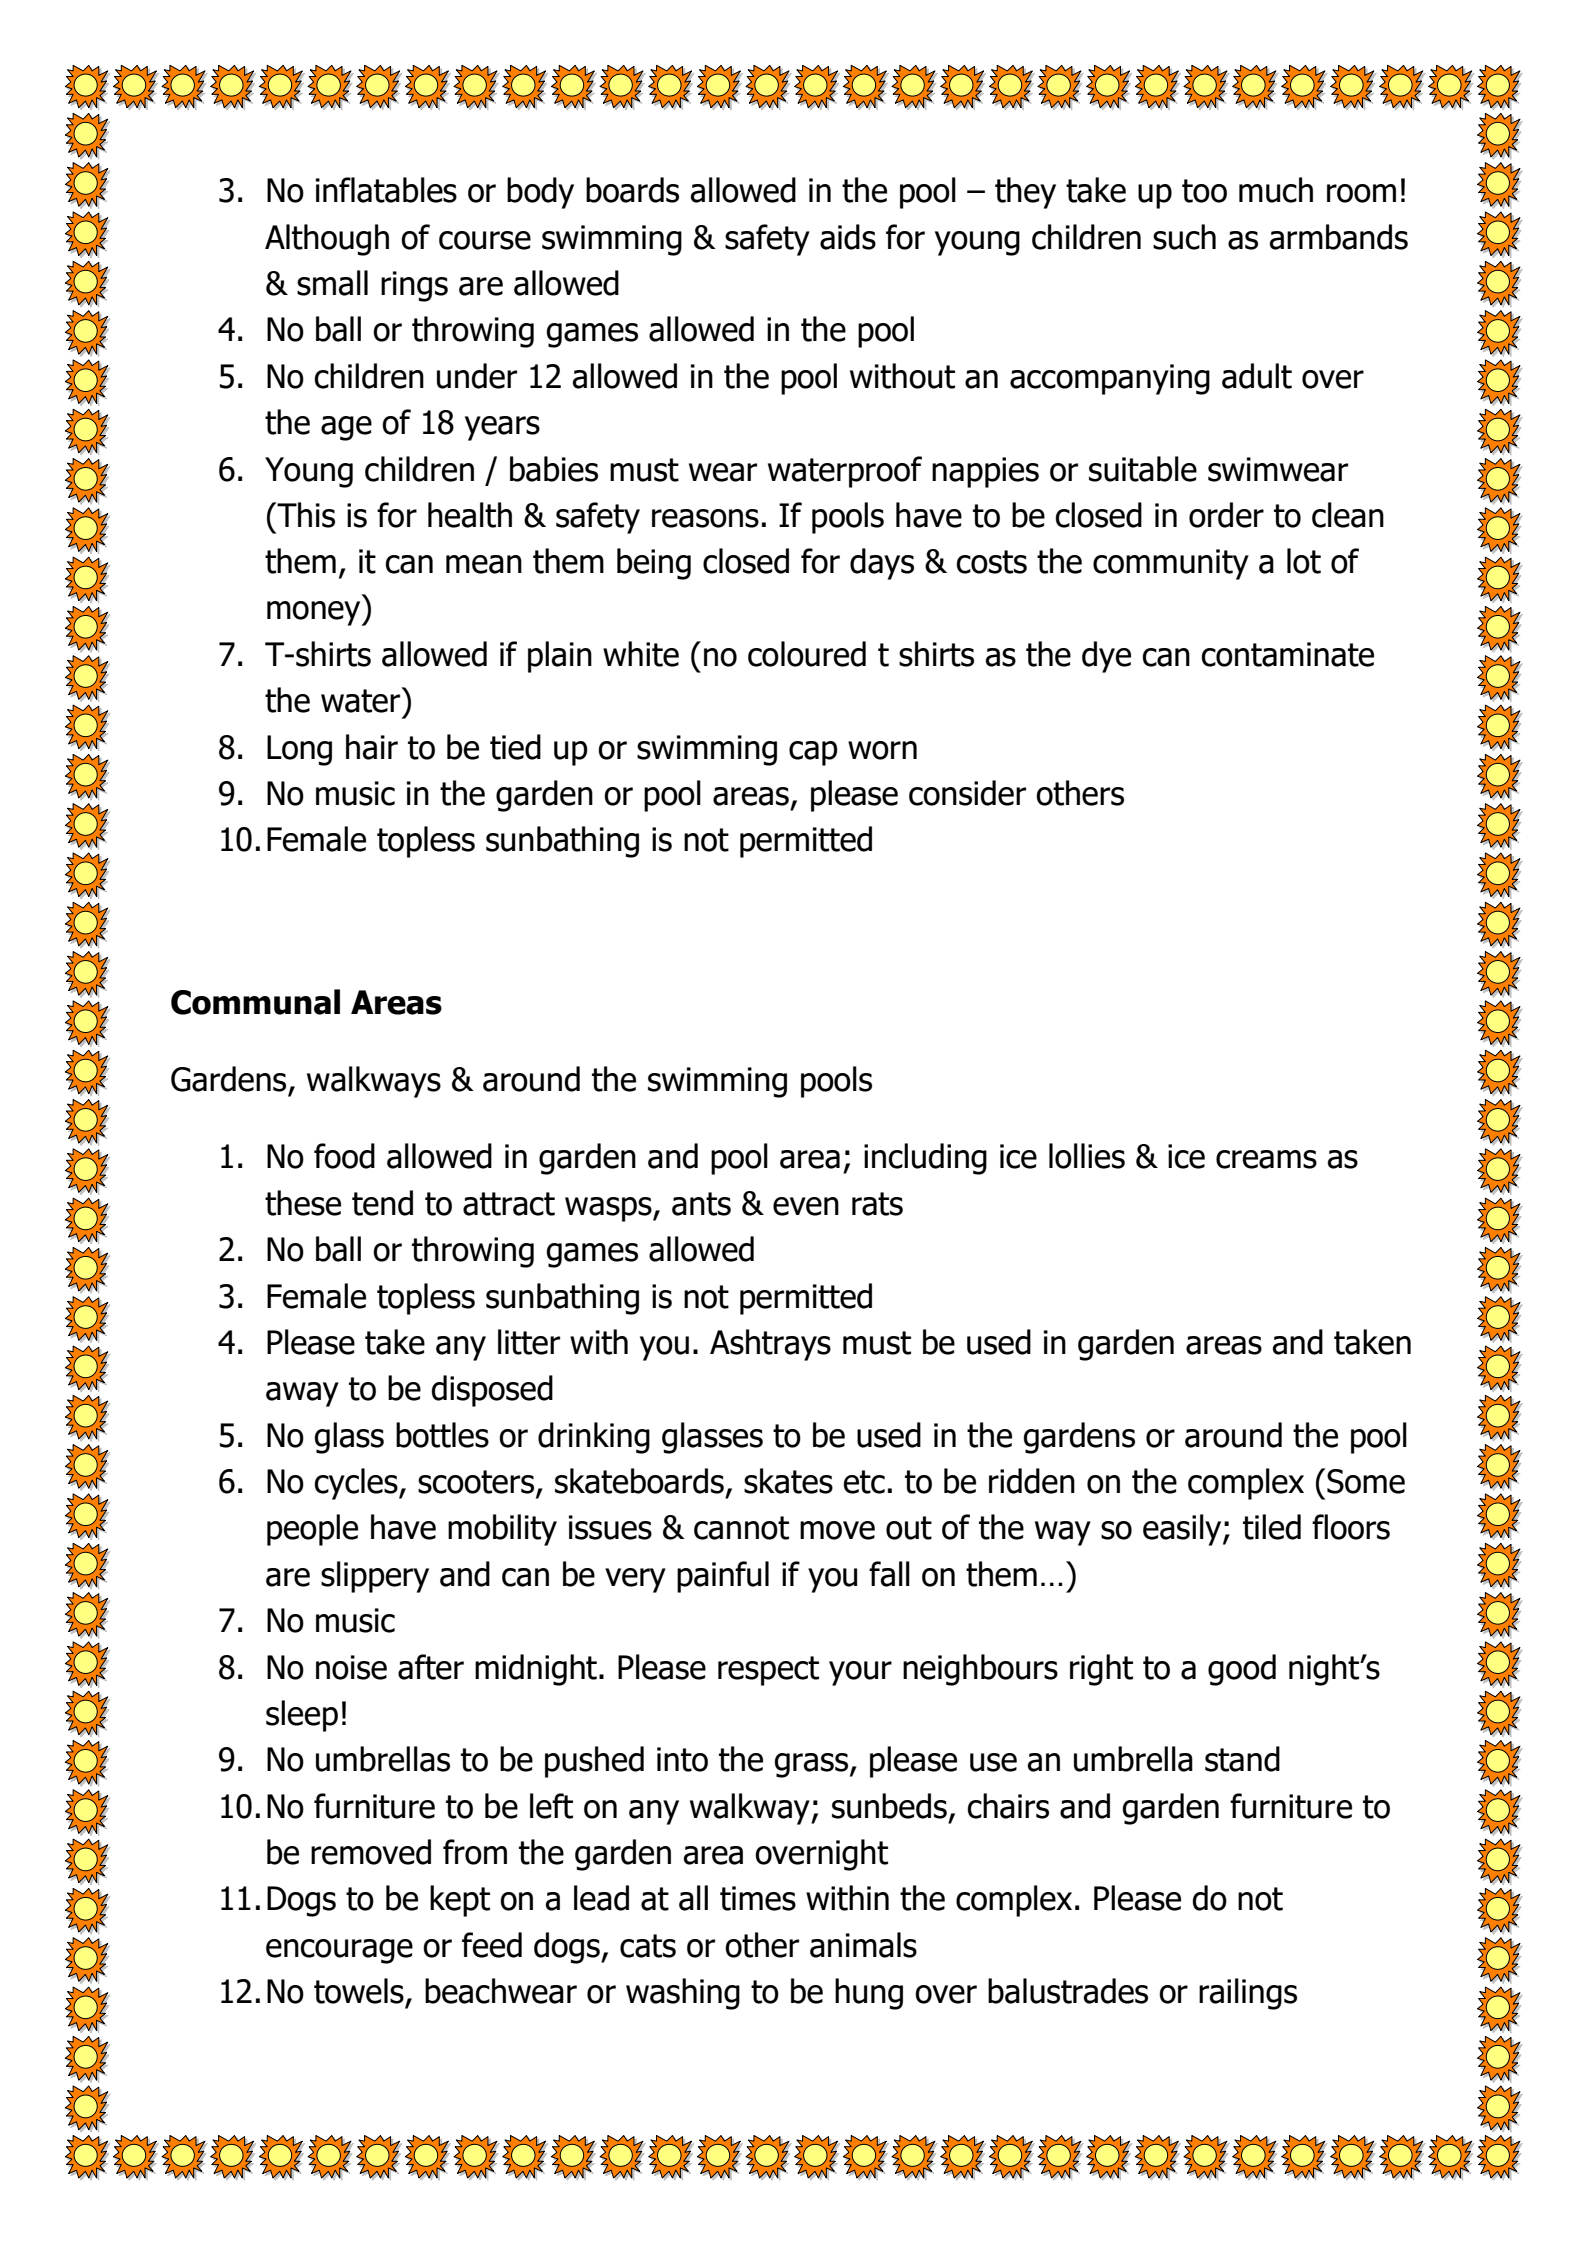

- Using abusive language
- Drunken behaviour
- Any form of disrespect to pool attendants, security guards, or staff
- Loud Music
- Noise after midnight
- Pools are for the use of residents and guests of El Divino only
- Please do not let people into the complex without seeing a red main gate key
- If you're renting, please use the pool on the side of your allotted property. The owner or agent will tell you which one – this is to prevent overcrowding
- Use of the pool and garden areas are at your own risk

Please behave to others as you would have them behave to you

The following rules have been set for everyone's health and safety and to minimise the occasions when it is necessary to close the pool for unscheduled maintenance.

Swimming Pools

1. Always shower before entering the pool to remove sun-cream etc. do not use soap or shampoo in the pool shower (This helps keep the pool filters clean)
2. No jumping, diving or bombing into the pool; no rough play, e.g. standing on shoulders etc. (There have been a number of times where people have hurt themselves on the edge or bottom of the pool or have landed on others. No one wants to visit the hospital on their holiday...)

- 
3. No inflatables or body boards allowed in the pool – they take up too much room! Although of course swimming & safety aids for young children such as armbands & small rings are allowed
 4. No ball or throwing games allowed in the pool
 5. No children under 12 allowed in the pool without an accompanying adult over the age of 18 years
 6. Young children / babies must wear waterproof nappies or suitable swimwear (This is for health & safety reasons. If pools have to be closed in order to clean them, it can mean them being closed for days & costs the community a lot of money)
 7. T-shirts allowed if plain white (no coloured t shirts as the dye can contaminate the water)
 8. Long hair to be tied up or swimming cap worn
 9. No music in the garden or pool areas, please consider others
 10. Female topless sunbathing is not permitted

Communal Areas

Gardens, walkways & around the swimming pools

1. No food allowed in garden and pool area; including ice lollies & ice creams as these tend to attract wasps, ants & even rats
2. No ball or throwing games allowed
3. Female topless sunbathing is not permitted
4. Please take any litter with you. Ashtrays must be used in garden areas and taken away to be disposed
5. No glass bottles or drinking glasses to be used in the gardens or around the pool
6. No cycles, scooters, skateboards, skates etc. to be ridden on the complex (Some people have mobility issues & cannot move out of the way so easily; tiled floors are slippery and can be very painful if you fall on them...)
7. No music
8. No noise after midnight. Please respect your neighbours right to a good night's sleep!
9. No umbrellas to be pushed into the grass, please use an umbrella stand
10. No furniture to be left on any walkway; sunbeds, chairs and garden furniture to be removed from the garden area overnight
11. Dogs to be kept on a lead at all times within the complex. Please do not encourage or feed dogs, cats or other animals
12. No towels, beachwear or washing to be hung over balustrades or railings
